

23rd January 2017

Bluecoat Academy
believe in yourself, in others, in God

Dear parent,

this letter contains information about the next event on the 'Ambition Nottingham' programme. This exciting programme provides information, advice and guidance to ensure that students make informed decisions when choosing future options, as well as supporting them in their current studies. It is run by the University of Nottingham with the Kusuma Trust and the Sutton Trust.

The next scheduled event on this programme is the **Post-14 Options Day** which will take place on **Wednesday 1st January 2017**. The event will help pupils to prepare for making post-14 options and will also help them to develop their teamwork and communication skills.

Your child is attending as part of a group of students from Bluecoat Academy and they will travel to the university together, accompanied by a member of Academy staff. The member of staff will accompany them throughout the day.

Your child should come to school on **Wednesday 1st January** in school uniform as usual. The group will depart after registration. The event will end at 2.45, after which the group will travel back ready for collection at the slightly later time of 3.15pm. If there is heavy traffic there may be a minor delay.

We are thrilled about the opportunities this programme will offer your child over the course of this year. Please may we ask you to return the confirmation of attendance slip overleaf as soon as possible and by the **27th January** at the latest.

Many thanks and best regards,

Mr Shafiq
