

7th February 2017

Bluecoat Academy
believe in yourself, in others, in God

Dear parent/carer,

We are writing to inform you about an exciting opportunity available to your child as part of the Ambition Nottingham programme. Through the programme we have been offered a visit day to The University of Cambridge on the 23rd March 2017.

During the visit, students will get an opportunity to work with current students and staff at the University of Cambridge participating in tasks and activities linked to Higher Education. The young people will also get the opportunity to take a tour around one of the colleges at the University and will get to meet up with other Y9 students on the programme. Further information about the visit will be available shortly.

Pupils attending will need to be brought to school for **7.30 am** on the 23rd March in normal school uniform. They will then travel by school minibus to Nottingham University where they will travel by coach to Cambridge University. Departure from the University here at Nottingham will be at around 8:00am. We will be dropped back off at the University of Nottingham no later than 5:00pm. Pupils will then be brought back to school by minibus ready for collection from the Wollaton Park Campus at **5.30pm**.

Your child will be attending as part of a group of students from Bluecoat Academy and they will travel to the university together, accompanied throughout the whole day by a member of Academy staff.

N.B. Please note that places are extremely limited for this trip and we will be working on a 'first come first served basis'. This opportunity is only available to Y9 students registered on the Ambition programme.

We are sure you will agree that this is fantastic opportunity for the young people on the programme.

I am thrilled about the opportunities this programme continues to offer. Please may we ask you to return the confirmation of attendance slip below by the Friday 10th February at the latest.

Many thanks,

Mr Lewis-Gordon

Mr Fiddimore

Year 9 “Cambridge University Day” Consent Form

Student Details

Childs Name: _____

Childs DOB: _____

1. Medical

Please note any medical conditions the trip organiser/s needs to be aware of, please detail any medication your children may need:
